TES Board of Managers Candidates – Submitted Biographies

Mike Boyle

I have been nominated to serve on the TES Board and accept. I consider myself privileged the last 2 years, serving as an alternate and working with the dedicated and professional board members. I am excited at the progress toward fiscal stability and improvement projects that the board has achieved. Thank you for your consideration.

Bio for Michael F. Cressey, TES 36

Twin Echo Shores HOA Board Position (22-23)

Members: I submit the following information for your consideration and vote in connection with the open Board Member positions for 2022 to 2023. My wife Mary and I have been members of the Twin Echo Shores HOA since sometime in the 1990's when we owned a cabin (sold in 1999) and since our purchase of TES 36 in about 2005.

I have served as a Board Member for the Eagle Ridge HOA in Spokane (1157 homes) since 2015 including three years as Board President. As an attorney in private practice for 37 years (now mostly retired) I have represented HOA's in Eastern Washington, advising them on legal issues, drafting/amending CC&R's & Bylaws, and representing them in Court. I have also represented HOA Management Companies over the years.

If elected I will be available for all Board meeting in person as called, responsive to and respectful of your requests and do my best to balance maintaining the high quality of our summer escapes against the monthly costs associated with those expectations.

Thank you for your time and consideration.

Doug Hill

I would be honored and pleased to continue to serve on the Board of Managers of Twin Echo Shores for another term.

I've been coming to TES since 1962. The Resort has been an important part of my family's summers for nearly 60 years.

My qualifications include a successful 35 year career in business. I have also been involved with several not-for-profit organizations over the years. More importantly I am deeply passionate about preserving the legacy of what I believe is one of the most unique places of this type anywhere. I am committed to balancing the needs of a 70 plus year old resort and those of its Members to ensure TES is a place all want to be and to ensure it will be around for a long time to come.

Al Zarko

I'm honored to accept this nomination. I have been coming to TES since the mid 1970's. When my sister and I were around 8yrs old, we started staying all summer here at TES with my grandparents. The love I have for TES cannot be put in words. I initially ran for a Board position in 2015 because I wanted to get educated around the inner workings of how TES operates. I felt I had an obligation to be a part of the entity that works so hard at keeping the TES spirit that I learned in my youth alive and well. Rest assured that I will do my best to preserve the essence of this tightknit community while embracing today's norms and challenges. I am not perfect in anyway, but I make every decision knowing that one day I will see my grandparents again and I will not let them down.

Thank you
